

Memorandum of Understanding for Tango Card Inc Payment Platform

Background

The Behavioral and Social Science Office of the Dean has initiated a program to pay research participants through the online payment platform Tango Card Inc (Tango). In order to use Tango the Principal Investigator (PI) and the Fund Custodian (FC) must agree to adhere to the following procedures. To start a project in Tango the PI and/or the FC must send to bsos-cash@umd.edu a current IRB protocol approval along with this MOU.

- After this MOU and the IRB and consent form has been sent to bsos-cash@umd.edu the fund custodian will receive an email to join the Tango platform. DO NOT create a Tango account prior to receiving an invite to the platform.
Please read our FAQs sheet for more detailed information about the Tango Platform.
